ANOTHER WONDERFUL CURE!

ANOTHER WONDERFUL CURE!

PHILDELPHIA, April 9, 1846.

Last Argust a year, I caught a vioient cold, in consequence of getting wet in a shower of rain. A circumstance so common gave me no immediate concern, supposing that I should soos get rid of it. On the contrary, however, I daily grew worse; a vioient cough set in, then pain in my breast and between my shoulders. I now suffered great oppression from the great secretion of purulent matter in my lungs. I became greatly alarmed; and my friends considered my situation extremely critical, the more so as loss of appetite, hectic fever, and night sweats rendered me as weak as a child, and at night the sweat literally poured of me! This was my condition when I commenced using "Thomson's Compound Syrup of Tar and Wood Naphtha." I procured one bottle, and experienced so much benefit that I resolved to continue it. It is now six months since I ceased using the medicine, and the cure remains perfect. I firmly believe this medicine is far superior to every other remedy for Consumption of the Lungs.

two principal establishments in New York, viz: 125 CHATHAM AND 163 GREEN WICH STREET'S.

They moreover possess facilities, is relation to the Tea Trade, in a very abundant degree, and doubtless, superior to any other Tea Concern in America. Their scruppions regard to all principles that tend to elevate the character of a large house, is well understood, and has already secured them a connection, probably, larger than all other Tea Establishments united, and they consequently are determined to sell Teas purcy, more fragrant, and perfect for the prices, in the aggregate, than any house in the world—China excepted.

They most zealously invite the attention of the inhabitants of WASHINGTON, D. C., to their Agency, where the following assortments are always on hand; and they feel no heatistion in stating that wherever a single trial is made, a very decided preference is given to the celebrated Teas of the CANTON TEA COMPANY.

COMPANY are the excessive venue and the very other person or black Tea called "HOWQUA'S MIXTI 'RE." They introduced it in America in 1840—and every other person or house professing to sell the same at all, much less at a lower price—deceive the unwary, as the public themselves will perceive, by comparing the spurious with the genutine "Howqua" vended by the Canton Tea Company.

Every package (in addition to its containing FULL WEIGHT, independant of the wrapper,) bear the stamp of neatness and elegance, and the Teas therein are so thoroughly secured from ight and air, that their quality and power will remain unimpared in any climate.
